

AN IAS VIRTUAL CONFERENCE | 10 - 11 JULY 2020

COMMUNITY RESPONSE TO COVID-19

Khuat Thi Hai Oanh

Executive Director, SCDI Vietnam

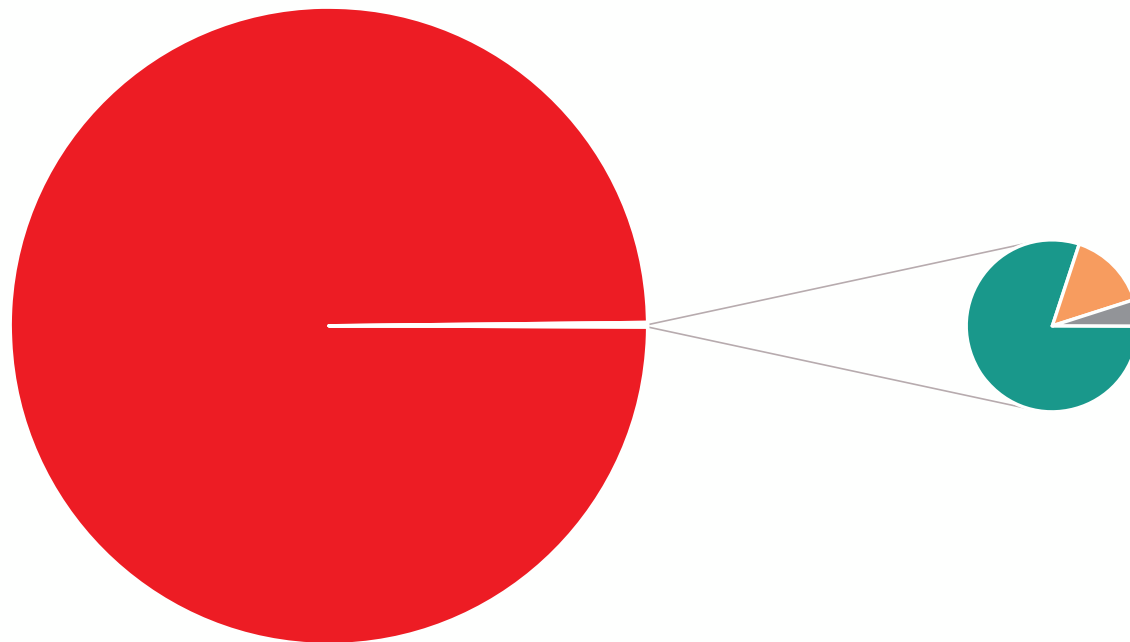

CSEM representative in UHC2030 Steering Committee

Disclosure

I do not have a conflict of interest

99% of the population

■ Population ■ Covid diagnosed ■ Asymptomatic ■ Symptomatic ■ Critical

Large parts of Covid-19 battle
happen at community level

Community direct responses

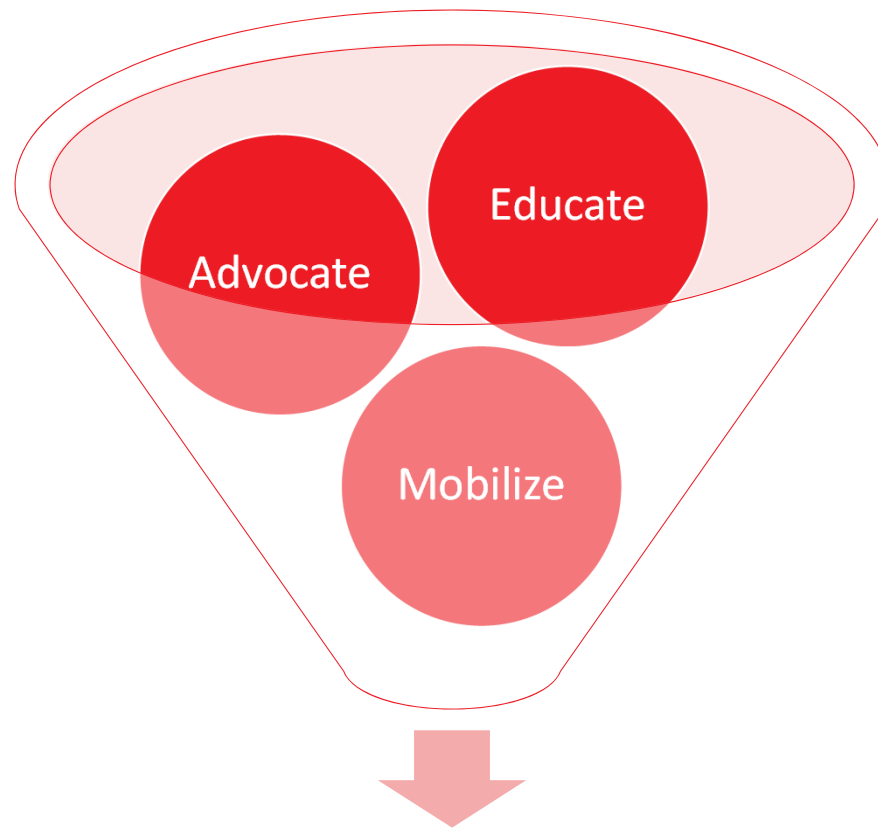

- Information;
- Behavioral interventions: distancing, washing hands, wearing mask;
- Contact tracing;
- First responder;
- Care for people in quarantine;
- Monitoring and management of symptoms in non-critical cases.

Managing other health care needs

- Challenges to other health services: emergency, SRH, TB, malaria prevention;
- Interruption of care and treatment for chronic conditions: NCD, HIV;

Mitigating consequences of Covid response especially among the most vulnerable:

- loss income – hunger, homelessness,
- interruption of education,
- distress/depression,
- domestic violence...

Community Covid-19 Response

So that No One is Left Behind
